Subsequent grid positions will be determined by the competitors' finishing position in the previous race, as published by the official timekeepers and subject to any judicial matters.

Except for last race of each event when the Starting Grid will be formed by the finishing order in the previous race, as published by the official timekeepers and subject to any judicial matters, but as amended below:

imminent. The pole position driver will then control the pace of the field and the grid will continue at a similar speed on the approach to the start line, keeping a minimum of 2 car lengths to the car in front. The driver in 2nd position will be required to keep pace with the pole position driver and broadly in line, each row of cars behind should also remain broadly in line with the driver on the same row so that all cars remain paired. It will not be acceptable to move forward from your row. All cars will start racing when the red start light(s) are extinguished. No overtaking may take place until then. Any drivers unable to maintain grid positions on the Rolling Lap to the extent that all other cars are ahead of them may complete the Rolling Lap. They MUST remain at the rear of the last row of the grid but ahead of any cars to be started with a time delay.
- 3.6.13 Aborted Start:
If the start is aborted prior to the pace car pulling off, the pace car will not extinguish his roof lights and will continue to lead the field around the circuit for an additional lap and a new start will be attempted. The race will not start until the pace car pulls off the circuit, the signal to start will not be given, and the start lights may remain at red. When this signal is given, all cars must exercise extreme caution and return slowly round the circuit maintaining their original grid positions stopping on the grid. The race start countdown procedure will then be repeated from the one-minute countdown point. At the discretion of the Clerk of the Course, the race distance may be reduced accordingly.

4.1.1 Technical infringements arising from post Qualifying Scrutineering or Judicial Action: Minimum Penalty as per MOTORSPORT UK Regulation C3.3. unless a Technical infringement is not materially performance enhancing, in which case the Clerk of the Course may issue a Technical Warning notice. If 3 or more Technical Warning notices are issued the Clerk of the Course, may, entirely at his discretion, apply standard MOTORSPORT UK penalties as per MOTORSPORT UK Regulation C3.3 or may issue further Technical Warning notices.

4.1.2 Arising from post event scrutineering or Judicial Action: Minimum Penalty as per the provisions of MOTORSPORT UK Regulations C3.5.1 a) & b).

For infringements deemed to be of a more serious nature the Clerk of the Course and/or Stewards of the Meeting are to invoke the provisions of MOTORSPORT UK Regulation C3.5.1 c).

4.1.3 Deliberate or repeated Technical Infringements will be referred to the Championship Stewards for consideration of Disqualification from the Championship, of the Car, Driver or Entrant.

4.1.3 Infringements of non-technical MOTORSPORT UK Regulations or the Sporting Regulations issued for the CHALLENGE in accordance with the current MOTORSPORT UK Judicial Procedure Regulations; any such penalties may affect a competitor's eligibility for points and awards.

4.2. DRIVING STANDARDS AND PENALTIES.

4.2.1 To maintain standards of conduct, MOTORSPORT UK and Championship officials will monitor race officials and observers reports for adverse behaviour at race meetings. Any adverse reports could lead to official MOTORSPORT UK action in accordance with the Judicial Procedure detailed in current MOTORSPORT UK Yearbook plus the following:

4.2.2 Any Competitor who is penalised during an Event and as a result receives an allocation of penalty points on their race licence in accordance with MOTORSPORT UK regulations will receive a grid slot penalty at the next race for the Championship at which they compete. The individual grid slot penalty will depend on the severity of the penalty imposed current MOTORSPORT UK Yearbook C2.1.4 – C2.1.8 as follows:

i) Verbal warning – 0 points

ii) Formal written reprimand – 2 points

Where a driver receives 3 x verbal warnings during the season they will receive a 10 place grid penalty in the next race. If a driver receives further verbal warnings they receive a further 10 place grid penalty in the next race each time the total reaches another 3 x verbal warnings.

iii) Fine, time or grid place penalty – 3 points = moved back three places
(For the avoidance of doubt, in the event that a grid place penalty of, say, 5 places is given this will incur 3 penalty points on the licence. Accordingly the actual number of grid places dropped will be 8.)

iv) Disqualification from Qualifying or Race – 4 points = 10 place grid penalty

2021 The Quaife MINI CHALLENGE Trophy Sporting & Technical Regulations

v) Disqualification from the meeting – 6 points = 10 place grid penalty

Any grid penalty will mean that a Competitor will be moved back the appropriate number of grid slot places from their grid position (i.e. if a Competitor with a four grid slot penalty had a qualifying time that was good enough for pole position then the Competitor will start fifth on the grid). For the avoidance of doubt, if the offence occurs in the final round of the Championship the penalty detailed below will apply.

If for any reason the imposition of this grid penalty is impractical (such as the competitor's qualifying time or race result etc) the competitor will start the next round undertaken from the pit lane, joining on the first racing lap. If the offence occurs in the final round of the season, a time penalty of up to a maximum of 30 seconds will be added to the elapsed race time of the competitor."

Any Competitor found guilty of contravening these Regulations (Sporting or Technical) may be reported to the Clerk of the Course or Stewards of the Championship for the possible imposition of further penalties which may be imposed separately or combined at the discretion of the Championship Stewards and may include the following.

- a) A financial penalty of up to £5,000.
- b) The loss of Championship points, up to a maximum of 36 (thirty-six) points even if this penalty results in a negative points total
- c) Disqualification from a fixed number of races within the Championship
- d) Removal from the Championship in its entirety

Competitors will also receive Championship points penalties as follows:

A Verbal Warning, 5 championship point deduction per warning

First 6 points on license during season, 10 championship point deduction per point on license.

Any further points on license during season, 20 championship points deduction per point on license

For the avoidance of doubt.

- 1 license point = 10 championship points deduction in total
- 2 points = 20 points championship points deduction in total
- 3 points = 30 points championship points deduction in total
- 4 points = 40 points championship points deduction in total
- 5 points = 50 points championship points deduction in total
- 6 points = 60 points championship points deduction in total
- 7 points = 80 points championship points deduction in total
- 8 points = 100 points championship points deduction in total
- 9 points = 120 points championship points deduction in total
- 10 points = 140 points championship points deduction in total
- 11 points = 160 points championship points deduction in total
- 12 Points = 180 points championship points deduction in total

- 4.2.3 Breaches of driving standards will be dealt with firmly. If the Clerk of the Course wishes to view video evidence from the nominated TV Company, on-board judicial cameras, circuit cameras and/or data-logged evidence in order to assist with his enquiry into a breach of driving standards, he may order that the results will automatically remain provisional for 30 days (or up until the start of qualifying at the next event whichever is soonest) and he may take judicial action at a later date, which will usually be within 30 (thirty) days in that period. However, the use of video evidence and/or

2021 The Quaife MINI CHALLENGE Trophy Sporting & Technical Regulations

data-logging evidence in all circumstances is at the sole discretion of the Clerk of the Course.

The Championship Coordinator may also, within 30 (thirty) days of the Event, be entitled to request the Clerk of the Course, or the Championship Stewards, to enquire into any matter, notwithstanding that the Clerk of the Course and/or the Stewards of the Meeting

may or may not have already investigated the incident. The Clerk of the Course or Championship Stewards will be empowered to take further action if they deem it necessary in accordance with the above. See SR4.2.2 for penalties.

Irrespective of race results being final - grid penalties can be applied to any subsequent race start, and if the offence occurs at a round of the final event of the published calendar,

a time penalty of up to a maximum of 30 seconds can be added to the elapsed race time of the competitor.

- 4.2.4 Competitors who claim to have received clarifications or rulings on the Championship Regulations must be able to produce on demand written confirmation of such rulings.

Only Championship Stewards are empowered to make rulings on MINI CHALLENGE Regulations.

- 4.2.5 The Championship Director or Championship Coordinator may request the Championship Stewards to hold a hearing into any alleged breach of the Regulations for further penalties including but not limited to removal from the Championship.

- 4.2.6 In respect of these regulations, any reference to a grid penalty normally relates to the class grid rather than the race grid. For example, if a penalty is for the competitor to be moved back 10 places, they will be moved back 10 places in their class only. In exceptional circumstances the Clerk of the Course may vary the penalty at his absolute discretion.

However technical fees will apply as outlined in this document.

No MINI CHALLENGE/ITV footage can be broadcast on random 'YouTube' or suchlike Internet sites but can be broadcast on your individual dedicated team/driver/sponsor website or official YouTube site.

Footage supplied by ITV must have the ITV Sport graphic 'bug' applied on any use. The graphic bug will be supplied along with the footage and must be used top left or right as appropriate throughout the use of the ITV footage.

From the 8th day following the event (usually a Monday);

Footage to be broadcast on any UK & Eire television broadcast companies (i.e BBC SKY CHANNEL 5 etc) or any other medium must not be used without explicit agreement from Alan Gow and ITV. Rights clearance will need to be obtained from ITV (paul.Johnson2@ITV.com) and a rights-fee will also apply.

Footage to be broadcast on any medium outside of the UK & Eire must first obtain rights clearance from Alan Gow. However the actual footage must still be acquired from ITV.

6.14.18 HOW TO OBTAIN ITV MATERIAL & TRANSFER COSTS:

Written permission needs to be provided to David Francis at ITV and Steve Knee at Cloubass.

You can then obtain MINI CHALLENGE footage from ITV Sport via Cloubass (their media provider).

There is a charge of £200 per 'session' to cover their time and costs in accessing/transferring the archive and fielding requests. This 'session' reasonably covers the quantity of footage from two TOCA events – up to 1TB which is equivalent to 1000mins in some codec's. However requests made at the end of the season for footage from the entire season will be charged as ten separate sessions i.e. £2000 for a whole season's worth of footage.

Cloubass will need a 'drive' to put the footage on. They can supply a 1TB drive for £100 which you then keep. Alternatively you can either send them (at your cost) a blank drive of suitable size ready for use (minimum 1 TB and free of other material) or hand-over your drive in person to a member of Cloubass at the TV compound on Friday or Saturday of a BTCC event only with prior warning. If you intend to hand-over a drive at

2021 The Quaife MINI CHALLENGE Trophy Sporting & Technical Regulations

an event you must let David Francis know - via email – by the close of business on the Thursday preceding an event.

Footage will be transferred in the days following a race weekend with the aim to send out drivers on the Wednesday. There is a charge of £10 p&p to post out your drive from Cloubass or you can arrange to collect from Steve Knee at Cloubass (address as below) from Wednesday afternoon onwards. All costs are plus VAT.

Footage will only be released once ITV have written permission from Alan Gow.

Along with the footage on the drive will be an ITV Sport graphic 'bug' - this must be used top left or right as appropriate over the images & throughout the use of the ITV footage.
