

# 2024 COOPER CLASS.

It might be the first rung on the ladder, but the Cooper Class often produces the most exciting racing the MINI CHALLENGE can offer.

The Cooper Class made three highly successful guest appearances events on the BTCC calendar in 2021, 2022 and 2023, and will return to entertain fans at another three events on the highest stage in UK motorsport during the 2024 season.

The entry level Cooper Class car uses a 130bhp 1.6-litre normally aspirated engine, six-speed manual gearbox and Goodyear slick and wet tyres, limited to two new tyres per race meeting.
